

### What is *Toolbox*?

**Toolbox** is a unique approach to parenting education, offering practical skills and strategies parents can incorporate into their families. Over six sessions participants explore key parenting principles and pick up practical ways to address challenges as well as how to build a great family team.

Toolbox courses are run for Early Years (0-6), Middle Years (6-12) and Teenage Years (12+). These interactive parenting groups are hosted by trained facilitators, who have a passion for intentional parenting. **Toolbox** is owned and developed by The Parenting Place in New Zealand.
